Exploring Electric Kiln Techniques Sumi Von Dassow

The electric kiln has made the experience of pottery accessible to people from all walks of life. For those who would like to better understand the art and science of pottery, this Ceramics Monthly Handbook shares the expertise of ceramic artists who have explored the possibilities and potential of electric kilns. These artists share their knowledge on a wide range of topics, including clay bodies, glazes, decorating, form, and more. This book is a must-read for anyone involved in creating ceramics with an electric kiln. It will provide inspiration for your creative journey and will help you discover the virtue and versatility of the electric kiln.
