History of the late war between Great Britain and the United States of America: With a retrospective view of the causes David Thompson

Excerpt from History of the Late War Between Great Britain and the United States of America: With a Retrospective View of the Causes From Whence It Originated; Collected From the Most Authentic Sources, to Which Is Added an Appendix, Containing Public Documents &C., Relating to the Subject

A faithful and impartial account of the late war, with a review of the causes from whence it originated, must be hailed with the most exalted enthusiasm by all who can boast the name of a Briton, and are worthy of the title. In such a work, generations yet unborn will trace the foot steps of their ancestors in that glorious struggle for the salvation of their country, and emulate their virtuous example, should they ever be called upon for that purpose.
