From a certified teacher and founder of an online tutoring website-a simple and effective guide for parents and students to learn writing at home. Over and over, studies show that parental involvement results in better grades, higher test scores, and better chances on future academic success. Tutoring has proven to be an effective way to improve grades. But, few parents realize that they can, in fact, be their child's best tutor. It's Stuart Ackerman's goal to get parents to understand curriculum documents to help their own children at home. Ackerman - who has been a regular guest on radio and television - gives families the tools they need to 'self-tutor' their own children. The book gives parents practical and fun writing ideas for their children at home. Learn'Em Good also makes it easy for parents to understand what teachers are looking for when marking and assessing writing. Parents will learn how to easily help their children with writing assignments at home. This book also has a bonus section containing the most important writing lessons from Tutorgiant.com.
