Written by a team led by a world authority in English grammar, *English Grammar for Today* has established itself as a rich educational experience for both native- and non-native-speaking students. After an introduction placing grammar in its educational and cultural context, the book offers a thorough but accessible six-chapter introduction to grammar which is then applied, in remaining chapters, to a wide range of subjects involving textual analysis. This new edition has been thoroughly updated. Exercises and answers are provided for each chapter.
