The second edition of this highly respected history brings the evocative story of MG right up to date. This large-format, well-illustrated book charts all MGs from 1923 to the present-day TF sports car and hot saloons, concentrating along the way on models with particularly strong interest to classic car enthusiasts, such as the T-types, the MGA and the MGB, the most popular British sports car ever.

The authoritative text is supported with buying tips, personal impressions of individual models, and data boxes on topics as varied as the Le Mans TC, the XPAG engine, and the Metro 6R4 rally car.
