Spanking Gina's Beautiful Black Ass: Hot Lesbian Erotica Miranda Mars

WARNING! This story contains lesbian relationship, lesbian sex, anal sex, strap-on's, dildos, gags, double penetration and light BDSM.

Regina has been a very, very bad girl. And Laura knows a couple of ways to make her pay for being so inconsiderate...

Laura has been getting it on with her lover's twin sister Regina. Regina is Frankie's more confident, bolder, 'dick-loving' version... or at least she was, until Laura got into her pants.

Every erotic moment with Laura is making Gina shed her inhibitions and biases, making her more willing to try new things. She's already tried (and loved!) HARD sex with a lesbian and using a strap-on, but will she go any farther?

After Gina forgets about one of her dates with Laura, Laura is determined to make her pay... using handcuffs, spanking and her trusty Double Penetrator!

The result is one night of searing pleasure/pain and nightmare/fantasy, as both women discover unexpected things about themselves...

TEASER:

Gina wailed and twisted but did not try to get to her feet, or to escape. But her howling began to alarm Laura, who quickly reached forward onto the sofa cushions for the ball gag, which had also been in the valise, and which fortunately fastened with Velcro strips. She had the ball in Gina's mouth and the strips fastened behind her head before Gina could protest, and then she returned to spanking her bottom with exuberant spite and passion. Now Gina's wails were muffled by the ball in her mouth. She yelped and squealed, but Laura was less concerned about the noise drawing attention from the neighbors.

If anything, it made her spank Gina harder. She was amazed and a little alarmed by the ferocity of her attack. Goodness, where does this come from? she wondered as her hand descended again and again on Gina's swelling cheeks. Who is this evil dominatrix, anyway? I'm a gentle person, really. How did these demons get control of me? Making me want to hurt her? To make her whimper? And groan?

She eased up a little and could see the tears streaking Gina's face, and the slobber leaking out of her gagged mouth; she could hear her labored breathing, but also she could feel the tension in her flesh, the need for physical release. Leaning across Gina's back, she grabbed the Double Penetrator and was about to slip into the harness, when she saw Gina's eyes widen with fright. Gina began shaking her head wildly, and grunting into the ball gag in her mouth. And now she did begin trying to scoot away, to the side, any place away from Laura.

"Oh . . . you don't want this one?" Laura snarled at her, keeping up the act. She yanked Gina's angular, hard

body back into place.

Gina again shook her head wildly. Laura tossed the Double Penetrator back on the sofa cushions and snatched up the other strap-on, the purple seven-incher that had also been in the bag. Gina nodded imperceptibly in relief. Laura quickly slipped into the harness and fastening the straps tight.

"I am so going to fuck your brains out," she threatened Gina, now crouching behind her.
