The End of the Modern World

Romano Guardini

The End of the Modern World Romano Guardini

This expanded edition of Guardini's classic work includes the original text of *The End of the Modern World*, as well as the entirety of its explicit sequel, *Power and Responsibility*, in which Guardini analyzes modern man's conception of himself in the world and examines nature and use of power. The principle of individual responsibility weaves both works into a seamless, comprehensive, and compelling moral statement.
