The Value of Doubt: Why Unanswered Questions, Not Unquestioned Answers, Build Faith

Bill Tammeus

The Value of Doubt: Why Unanswered Questions, Not Unquestioned Answers, Build Faith Bill Tammeus

An invitation not to a faith certain of everything but, rather, to a faith that welcomes the discomfoting questions.

Religious zealotry plagues the world. It drives susceptible people to believe they have all the truth, all the wisdom, all the divine favor. And in some cases it even moves them to murder people who, they have concluded, are enemies of God. In *The Value of Doubt*, veteran journalist Bill Tammeus draws deeply on his own Protestant experience of doubt and faith and, in a series of reflections, contends that the road to a rich, dynamic, healthy faith inevitably must run through the valley of the shadow of doubt. The opposite of faith, he says, is not doubt; rather, the opposite of faith is false certitude. Tammeus argues in favor of recognizing our mortality, of adopting the Benedictine virtue of humility and of realizing that we live by metaphor, by allegory, by myth. It's the willingness to question, to reconsider, to be comfortable with ambiguity and paradox that will save faith from the hands of those who seem to know all the answers before they ever hear the questions. This lively and challenging look at the religious life is for anyone seeking to build and enrich an authentic faith and courageous enough to see doubt as an essential part of it.
