## White Boys

After the global success of "First Exposure", his first book of photographs, Californian Photographer/Architect, Sam Carson continues his homage to the unspoiled, innocently erotic young men in this exciting new book of portraits. Carson presents new faces and fresh youthful bodies, specially cast in a creative and sensitive light. The final cover comes off only rarely. Sam Carson's art is original and unique in the realm of gay male photography. 80 pages of unsullied and unobtrusive eroticism is revealed for all to see.
