## Finale (from Symphony #1): Conductor Score & Parts (Eighth Note Publications)

The nine Symphonies of Ludwig van Beethoven are considered by many to be among the greatest orchestrations of all time and they are often used as models by later, great composers. His Symphony No. 1 was written in 1800 and shows the powerful influences of Haydn and Mozart. The form is clear and the use of tonality is very traditional. This sort of clarity is ideal as a showpiece for band. Technical woodwind parts and supporting articulated brass passages make this orchestral transcription a great new addition for the repertoire of the concert band.
