Dash Shaw

New School Dash Shaw

In Dash Shaw's new, full-color original graphic novel, a boy goes to seek his brother on a theme-park island.

In this brand new graphic novel from the acclaimed author of *Bottomless Belly Button* and *BodyWorld*, Dash Shaw dramatizes the story of a boy moving to an exotic country and his infatuation with an unfamiliar culture that quickly shifts to disillusionment. A sense of “being different” grows to alienation, until he angrily blames this once-enchanted land for his feelings of isolation. All of this is told through the fantastical eyes of young Danny, a boy growing up in the '90s fed on dramatic adventure stories like *Jurassic Park* and *X-Men*. Danny's older brother, Luke, travels to a remote island to teach English to the employees of ClockWorld, an ambitious new amusement park that recreates historical events. When Luke doesn't return after two years, Danny travels to ClockWorld to convince Luke to return to America. But Luke has made a new life, new family, and even a new personality for himself on ClockWorld, rendering him almost unrecognizable to his own brother. Danny comes of age as he explores the island, ClockWorld, and fights to bring his brother home. *New School* is unlike anything in the history of the comics medium: at once funny and deadly serious, easily readable while wildly artistic, personal and political, familiar and completely new. Full-color illustrations throughout

From reader reviews:

Andrew Hall:

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each guide has different aim or maybe goal; it means that reserve has different type. Some people sense enjoy to spend their the perfect time to read a book. They are really reading whatever they acquire because their hobby is definitely reading a book. How about the person who don't like reading a book? Sometime, man feel need book after they found difficult problem as well as exercise. Well, probably you will need this New School.

Lindsay Washington:

What do you ponder on book? It is just for students since they're still students or this for all people in the world, the actual best subject for that? Only you can be answered for that query above. Every person has distinct personality and hobby for each and every other. Don't to be pressured someone or something that they don't wish do that. You must know how great as well as important the book New School. All type of book would you see on many methods. You can look for the internet resources or other social media.

Helen Hanson:

Reading a e-book can be one of a lot of exercise that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a publication will give you a lot of new data. When you read a guide you will get new information because book is one of numerous ways to share the information as well as their idea. Second, looking at a book will make an individual more imaginative. When you looking at a book especially hype book the author will bring one to imagine the story how the characters do it anything. Third, you can share your knowledge to other folks. When you read this New School, you can tells your family, friends in addition to soon about yours book. Your knowledge can inspire average, make them reading a publication.

Annie Fowler:

Your reading 6th sense will not betray anyone, why because this New School book written by well-known writer we are excited for well how to make book which can be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your own personal hunger then you still skepticism New School as good book not merely by the cover but also through the content. This is one reserve that can break don't judge book by its include, so do you still needing a different sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to yet another sixth sense.
