*****This is an older edition of the title *Moral Revolution******

The world is ready for another sexual revolution!

People worldwide are crying out for a sexual revolution! Counter to the sexual revolution of the 1960s, this revolution values virginity and honors marriage. This revolution sees perversion as sin - not an acceptable post-modern mindset.

Young adults, teens, fathers, mothers, and grandparents want to shake off the slime of depravity and the bondage of religion, and enter into the joy of passionate purity.

This book takes a non-religious, gut-honest, fresh look at a subject as old as Adam and Eve. The wisdom within helps you and those you love emerge from the mire with your trophy of purity intact so you can present it to your lover on your honeymoon.

While some nations seem to live in a perpetual orgy, and religion relegates the masses to sexual prison, people need to know they can overcome the power of peer pressure and push back the cesspool of distorted cultural values.

You can take a vow of Purity today - you will never regret the decision!
