**The Judas Economy: The Triumph of Capital and the Betrayal of Work** William Wolman, Anne Colamosca

Bill Wolman, "Business Week" chief economist and Anne Colamosca say what our business and government leaders are unwilling to admit, but what most workers know in their gut: in the global economy, big money calls the shots and workers - white-collar professionals as well as blue-collar - are increasingly expendable. Drawing on history and their knowledge of how the world economy works, the authors demonstrate why downsizing will continue whether or not it makes America more competitive.
