The Life and Opinions of the Tomcat Murr (Penguin Classics)

E. T. A. Hoffmann

The Life and Opinions of the Tomcat Murr (Penguin Classics) E. T. A. Hoffmann

Tomcat Murr is a loveable, self-taught animal who has written his own autobiography. But a printer's error causes his story to be accidentally mixed and spliced with a book about the composer Johannes Kreisler. As the two versions break off and alternate at dramatic moments, two wildly different characters emerge from the confusion - Murr, the confident scholar, lover, carouser and brawler, and the moody, hypochondriac genius Kreisler. In his exuberant and bizarre novel, Hoffmann brilliantly evokes the fantastic, the ridiculous and the sublime within the humdrum bustle of daily life, making *The Life and Opinions of the Tomcat Murr* (1820-22) one of the funniest and strangest novels of the nineteenth century.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
