Now, students can engage their minds with the Word of God in an approachable translation and with thought-provoking notes. Students will learn how to decipher between truth and lies and authenticity and hypocrisy. Character studies reveal how choices, both good and bad, can have life-changing impact, and the importance of having a daily, vertical connection with God while fostering healthy relationships with others. This Bible will renew students as they learn more about God, his personhood, and who they are in Christ.
