The Revelation of Jesus Christ to John: Using the Bible to Interpret the Bible

Jeffrey J Harrison

The Revelation of Jesus Christ to John: Using the Bible to Interpret the Bible Jeffrey J Harrison

How did the early Messianic believers understand the book of Revelation? How did they understand its often strange and bewildering symbols? The answer is surprisingly simple: they used the Bible to interpret the Bible. Modern scholars have long noted the similarities between the images of Revelation and those found elsewhere in the Bible. But rarely has this been used as a method to interpret Revelation's meaning. By reviving this ancient method, Pastor Jeff Harrison brings clarity to John's visions, and makes their message make sense to us today. Harrison claims no privileged knowledge of the future, but restricts himself to the text of the Bible in the original languages, Jewish culture and religion, and well-known facts of history. The message that emerges is a challenging one, encouraging Christians to faithfulness and devotion in these dangerous last days. The Revelation of Jesus Christ to John is one of Pastor Harrison's most popular seminars. It has been presented to thousands of students in the U.S., Canada, the Philippines, and Taiwan. It reflects his study with some of the top Israeli archeologists and Christian scholars in Jerusalem, and is enriched by his years as a study tour teacher in Israel. This published version includes not only the same fresh translation of Revelation used in the seminars, but also a new translation of all supporting scripture verses from the original languages.

After you know how the truly amazing a book, you feel wish to read more and more. Science book was created for teacher or students especially. Those publications are helping them to put their knowledge. In other case, beside science publication, any other book likes *The Revelation of Jesus Christ to John: Using the Bible to Interpret the Bible* to make your spare time considerably more colorful. Many types of book like this.

Marcie Johnson:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this *The Revelation of Jesus Christ to John: Using the Bible to Interpret the Bible* can make you

really feel more interested to read.
