## **The Way it Was** Nina Naude

While the press invariably referred to Bobby Verwey as 'Gary Player's brother-in-law' throughout his long career, Bobby's own hard-won golfing achievements deserve acclaim, as this autobiography, co-written with his partner Nina Naude, makes clear. *The Way It Was* is a candid, first-hand look at what it was like to be a professional golfer between the 1950s and the late 1990s. Bobby Verwey was one of the true pioneers of professional golf, and he details the life of the players during those early years, when they would drive across America for an average of six or seven hundred miles a week for about seven months of the year in order to get to the next tournament. Everyone played with a passion and dedication, even though the money was, by modern standards, derisory. Bobby relates the many ups and downs of his life, with most of the highs relating to his family - he is the father of three sons, all committed golfers. He talks about many of the key matches of his career, in particular his victory in the 1991 British Senior Open. Bobby also discusses his controversial and complicated relationship with his famous brother-in-law, which has inevitably had an impact on his personal life and professional career. Golf enthusiasts will enjoy the many amusing stories of the colourful characters Bobby has met and played against through the years and all over the world. With a Foreword by Peter Alliss.

#### Viola Waters:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Way it Was can make you feel more interested to read.

#### Joshua Allen:

What is your hobby? Have you heard which question when you got college students? We believe that that concern was given by teacher to the students. Many kinds of hobby, All people has different hobby. Therefore you know that little person like reading or as studying become their hobby. You need to understand that reading is very important and also book as to be the factor. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you decide to try be your object. One of them is The Way it Was.
