Cicero Refused to Die (Presenting the Past) Nancy van Deusen

Cicero has indeed refused to die, despite the fact that he, in the year 43 BC, was savagely put to death, a preposterous event that brought an end to the long and illustrious career of a lawyer, politician, statesman, praetor, consul, and above all, intellectual, philosopher, writer. His works on *The Ideal Orator*, *On Law*, *On Academic Life*, *On Supreme Good and Evil*, *The Nature of Gods*, *Foretelling the Future*, *Destiny*, and *Duties* constituted the basis of a thorough study of Latin for many centuries of students. One might also, however, conclude that, with the virtual disappearance of Latin as a language that is commonly taught, Cicero might be seen to have suffered a second death; but this is by no means the case. This timely volume explores the many aspects of Ciceronian influence through the Middle Ages and beyond on education, literature, and legal training. Contributors are Christopher S. Celenza, Frank Coulson, Nancy van Deusen, George L. Gorse, Michael Herren, Leonard Michael Koff, Valery Rees, Timothy A. Shonk, Terence Tunberg, and John O. Ward."
