Evidence-based Policy Making in the Social Sciences: Methods that Matter

Evidence-based Policy Making in the Social Sciences: Methods that Matter

This book gathers an expert group of social scientists to showcase emerging forms of analysis and evaluation for public policy analysis. Each chapter highlights a different method or approach, putting it in context and highlighting its key features before illustrating its application and potential value to policy makers. Aimed at upper-level undergraduates in public policy and social work, it also has much to offer policy makers and practitioners themselves.
