Riddles in the Tradition of the Sphinx: 50 Original Riddles Mark Sullivan

Welcome to Riddles in the Tradition of the Sphinx! Within this book you will find fifty original riddles of various forms of poetry and prose. You will also find short explanations with each answer that is linked from the riddle. I started writing riddles about thirty years ago when I got hooked on games such as Wizardry which had several riddles in the game. I finished the original version of this book back in 1993 and self-published when I couldn't get a traditional publisher. While I can't say that it was a tremendous success, I was able to do better than just break even. While mainly for fun, my book was also used in a few high school English classes. Fast forward to 2016 and I decided to republish using Amazon at the suggestion of my daughters. Please let me know what you think of the riddles and leave a review. I hope you enjoy the riddles! Mark
