## **The Huguenots** Geoffrey Treasure

Following the Reformation, a growing number of radical Protestants came together to live and worship in Catholic France. These Huguenots survived persecution and armed conflict to win—however briefly—freedom of worship, civil rights, and unique status as a protected minority. But in 1685, the Revocation of the Edict of Nantes abolished all Huguenot rights, and more than 200,000 of the radical Calvinists were forced to flee across Europe, some even farther.

In this capstone work, Geoffrey Treasure tells the full story of the Huguenots' rise, survival, and fall in France over the course of a century and a half. He explores what it was like to be a Huguenot living in a "state within a state," weaving stories of ordinary citizens together with those of statesmen, feudal magnates, leaders of the Catholic revival, Henry of Navarre, Catherine de' Medici, Louis XIV, and many others. Treasure describes the Huguenots' disciplined community, their faith and courage, their rich achievements, and their unique place within Protestantism and European history. The Huguenot exodus represented a crucial turning point in European history, Treasure contends, and he addresses the significance of the Huguenot story—the story of a minority group with the power to resist and endure in one of early modern Europe's strongest nations.

#### **Jody Vinson:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Huguenots can make you experience more interested to read.
