The White Rhino Saga

Ian Player

The White Rhino Saga Ian Player

This 254 page book recounts Ian Player's visits to the Umfolozi Game Reserve in South Africa's Zululand and his lifelong obsession to save white rhinos from extinction. From the foreword "'The White Rhino Saga' is a book for every lover of the wild. The danger of the captures, the disappointments, the ultimate successes, make a splendid tale. It is a tale of adventure, of Africa, of animals - and the man who set out to save them."

From reader reviews:

Raul Joyner:

Nowadays reading books be than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The info you get based on what kind of book you read, if you want attract knowledge just go with schooling books but if you want feel happy read one having theme for entertaining like comic or novel. The actual The White Rhino Saga is kind of book which is giving the reader capricious experience.

Marie Nitta:

Information is provisions for individuals to get better life, information today can get by anyone with everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider when those information which is in the former life are difficult to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take The White Rhino Saga as the daily resource information.

Candy Dixon:

Reading can called brain hangout, why? Because while you are reading a book especially book entitled The White Rhino Saga the mind will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely can become your mind friends. Imaging every single word written in a publication then become one form conclusion and explanation in which maybe you never get previous to. The The White Rhino Saga giving you one more experience more than blown away your thoughts but also giving you useful facts for your better life in this particular era. So now let us show you the relaxing pattern this is your body and mind will probably be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

Daniel Slater:

Your reading sixth sense will not betray anyone, why because this The White Rhino Saga reserve written by well-known writer who really knows well how to make book that may be understand by anyone who have read the book. Written in good manner for you, still dripping wet every ideas and producing skill only for eliminate your personal hunger then you still question The White Rhino Saga as good book not simply by the cover but also by content. This is one book that can break don't ascertain book by its handle, so do you still needing a different sixth sense to pick this particular!?! Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.
