Visionaire No. 64: Art, Baldessari Green Edition

Visionaire No. 64: Art, Baldessari Green Edition

In Henry Joost and Ariel Schulman's short film *A Brief History of John Baldessari*, the world-renowned conceptual artist suggests that he will be best remembered as "the guy who put dots over people's faces." Baldessari recalls: "I felt like it [the dot] leveled the playing field"--surely an ironic claim to fame in an age of self-obsession and self-celebration. Especially from the early Renaissance, when mirrors became more readily available, through today--an age of constant surveillance in which nearly every pedestrian carries some form of camera--the auto portrait has become an inevitability that, to varying degrees, finds its way into the practice of many working artists. For its 64th issue, *Visionaire* invites a roster of contemporary actors, entertainers and personalities to contribute a self-portrait. The participants include artists Ai Weiwei and Ed Ruscha; models Gisele Bündchen and Kate Upton; actors Scarlett Johansson and James Franco; singer Miley Cyrus; filmmaker Pedro Almodovar; fashion designers Kate and Laura Mulleavy (Rodarte) and Riccardo Tisci (Givenchy); athlete Lionel Messi, and many more. Their self-portraits are printed in black and white, and then silkscreened with shapes and colors created by Baldessari. The resulting collection of images offers a snapshot of contemporary iconography, bridging technology and craftsmanship, high art and pop culture, digital and analogue, new and old. *Visionaire No. 64: Art* is available in three different editions, each themed by a color, and featuring a different selection of contributors. All of the editions are presented in a beautifully printed cloth box. The green edition includes contributions by Gisele Bündchen, Maurizio Cattelan, Drake, Julianne Moore, Scarlett Johansson, Bill Cunningham & Antonio Lopez, Neil Patrick Harris, John Waters, Lionel Messi and Yoko Ono.
