This book is far better than it has any right to be. My best advice is that you shouldn't waste the time and money it takes to get an MBA. But if you're going to ignore that advice, please (please!) read this book first - Seth Godin, Stanford MBA and New York Times bestselling author of *Linchpin* and *Tribes* Here's the powerful truth about getting into business school: it starts by being honest with yourself. As a graduate of Stanford's Graduate School of Business, and throughout her career as a highly sought-after admissions consultant as well as yoga instructor and life coach, Katie Malachuk has learned that no matter your vocation, fulfillment is only achieved when you find your true place in the world. With *Earn It*, she offers her surprising yet highly successful approach that transforms the admissions process from burden to adventure. *Earn It* can supply you with the practical, insider savvy of a winning consultant, but it goes well beyond other books in the field. It seeks to reveal your true self-your gifts, values, and callings. This is more than your average guide to getting accepted to prestigious programs. It's a guide to finding your bliss and making it last well beyond graduation.
