Hello, Sunshine Leila Howland **A Prep School Girl with a Hollywood Dream**

Becca Harrington is a reject. After being rebuffed by every college on her list, she needs a fresh start, so she packs up everything and moves to LA, giving herself one year to land an acting gig or kill herself trying.

Unfortunately, not everything turns out as planned, and after a few grueling months, LA is looking like the worst idea ever. As hard as she tries, Becca can't land an agent, she's running out of cash, and her mom is hounding her to apply to more schools. In an act of desperation, Becca and her friend Marisol start posting short videos online-with the help of their adorable filmmaker neighbor, Raj-and the videos catch the attention of a TV producer. Could this be it? Her big break? Or will she have to move back home with nothing but some bad head shots and a monstrous credit-card bill?

Becca may not get the Hollywood ending she was hoping for, but perhaps she'll learn there's more than one way to achieve her dream.

Readers will love every page of this funny, romantic, aspirational, and ultimately triumphant novel about a girl who just wants to make it on her own.

Praise for *Nantucket Blue*

"[Howland] evokes the Nantucket setting vividly . . . when it comes to indulgent beach reading, sometimes it's more fun to get pushed over by a wave than to stay safely on your towel."

-The New York Times

"Sand, secrets, Nantucket Reds, and romance. A fresh, feel-good debut."

-The Boston Globe

Praise for *Nantucket Red*

Enjoyable and introspective, this is more than just a summer beach read."

-Kirkus Reviews

From reader reviews:

William Vogt:

Inside other case, little folks like to read book Hello, Sunshine. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important a book Hello, Sunshine. You can add understanding and of course you can around the world by the book. Absolutely right, due to the fact from book you can know everything! From your country until eventually foreign or abroad you will end up known. About simple factor until wonderful thing you are able to know that. In this era, we can open a book or perhaps searching by internet device. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's go through.

Amber Orlowski:

In this era globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. The actual book that recommended to your account is Hello, Sunshine this e-book consist a lot of the information with the condition of this world now. This particular book was represented so why is the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. Often the writer made some investigation when he makes this book. Honestly, that is why this book appropriate all of you.

David Russell:

In this particular era which is the greater man or woman or who has ability in doing something more are more valuable than other. Do you want to become one of it? It is just simple strategy to have that. What you need to do is just spending your time not very much but quite enough to enjoy a look at some books. On the list of books in the top record in your reading list is definitely Hello, Sunshine. This book and that is qualified as The Hungry Hills can get you closer in turning into precious person. By looking upward and review this publication you can get many advantages.

Charles Steen:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Hello, Sunshine can make you truly feel more interested to read.
