Steve Sjogren

Making a Good Church Great: Becoming a Community God Calls His Home Steve Sjogren

Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today's mega church, mega everything world. As a successful pastor, he launched the servant evangelism movement, but along the way he discovered that significance was not where or what he thought it would be. Now, in a very practical book, he focuses on genuine greatness. Is it the size of the sanctuary? The number of new believers baptized each year? The youth attendance? The quantity of best selling books the pastor has written? The list of television shows, radio shows or podcasts the pastors appears on? Or is it something more? What is the buzz on good churches that become great in God's eyes? Sjogren argues that greatness is not a point at which you arrive; rather, it is an ongoing process of worshipping, serving and living in God's presence. It not a slick program; rather, it is a family, a hospital, an army and a school. When God is a present, His people are empowered. When God empowers His people, a good church becomes great.
