Maren has one big goal in life; she wants to keep her independence. Her life is full to the brim with her two roles: being a single mom and owning the recently founded Start-Up Company. Men, she figures, are too exhausting to add to the mix; after all, it took her long enough to recover from her divorce. However, one evening a business acquaintance plants his twin brother Tony in his place and Maren falls for him...until she sees through the masquerade. Outraged at becoming a part of this bait and switch scheme, she decides to take her revenge. Unbeknownst to her, however, her daughter has something different in mind.
