Excerpt from Banking Services in Low-and Moderate-Income Communities; A Two-Tiered Financial Services System?: Hearing Before the Subcommittee on Consumer Credit and Insurance of the Committee on Banking, Finance and Urban Affairs, House of Representatives, One Hundred Third Congress, Second Session

A recent New York study shows that a consumer earning per ear will pay a check casher from \$200 to \$250 per year for checks cashed and monies ordered. Those same services would cost \$70 or less at a federally regulated bank. Given that New York is on] 1 of 11 States that sets a ceiling on what can be char ed to cas a check, the check-cashing industry must be doing even etter in other parts of the Nation. Though the industry may claim that it is providing a convenient service to consumers, convenience comes at a terribly high cost.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
