Coming Home David Rickerby

Northern Lights Trilogy Book Three All good things must end. The bad too. Peter and Stine had better hang onto each other a little while longer though if they want to avoid being hanged altogether - they've made it this far with the hounds at their heels and breaking free is their only option now. Success can lead to hubris, of this they are all too aware, but while their enemies can make mistake after mistake, they can fail only once. Yes, all things must end, good and bad. How else can a duo with this much blood on their hands hope to get a fresh start?
