Beginning of the End

The world was stunned and saddened in 1995 when Israel's prime minister, Yitzhak Rabin, was cruelly and coldheartedly struck down by an assassin's bullet. Rabin, a patriot and warrior for Israel's freedom, became a martyr for peace. In this book, Dr. John Hagee helps readers understand Rabin's assassination and how it fits into centuries-old prophecies that are recorded in the Bible.

Final Dawn Over Jerusalem

Pastor John Hagee has long believed that the Holy Land holds the key to unlocking the secrets of the future. He never dreamed that his life would change the night he took a bold stand against terrorism and anti-Semitism in his hometown. Though his life was threatened, his property destroyed, and his peace of mind rocked, Hagee continued to support the people of prophecy and found his eyes opened to unimaginable horrors and unspeakable joys. In his dealings with the nation of Israel, the true people of prophecy, Hagee has uncovered secret treasures of spiritual insights that are available to all believers and are a blueprint for the rapidly approaching end times. In this book, Hagee maps out the road ahead and shows readers how to equip themselves for the final moments of history.

Day of Deception

Day of Deception is a powerful and provocative exposé of the deception at work in America's government, schools, media, culture, and even in our churches. "America is deceived," says John Hagee. "Jesus Christ prophesied four times in Matthew 24 that the cardinal indicator of the terminal generation would be deception. We are deceived-by Satan and his witchcraft." Hagee says it's time to counterattack Satan and his lies, and it's time to take America back to biblical principles. In this book, he calls readers to discern truth from falsehood in these last days-and to appropriate God's mighty power so that we can see through Satan's schemes and emerge victorious from his attacks.
