Learning to write a screenplay can be cumbersome. However, Dr. Melissa Caudle helps screenwriters to create a beat sheet in order to develop a screenplay. Using the instant cult classic "The Keystroke Killer," as the basic screenplay, Caudle takes the reader from the beginning to the end of a beat sheet. Also included are beat sheet forms for a short film, feature film, and a one-hour episodic television series. It is the same beat sheet that the creator and a team of screenwriters use to develop the television series "The Keystroke Killer." This book is part of the series of quick guidebooks written by Dr. Melissa Caudle.
