The Marriage Agreement

Proposing a marriage of convenience to a rugged logger is the boldest move of Nora Underhill's sheltered life. In return for Simon Wallin's protection from her overbearing family, the unassuming seamstress offers prime frontier farmland. But their paper marriage changes when Nora's greedy brother tries to draw her back into a life of drudgery. Her only option: move to Simon's farm, and into the center of his loving, unruly family.

Years of shouldering responsibility have left Simon cynical and reserved. But little by little, Nora's warmth opens his shuttered heart to joy. With their marriage claim under threat, can this practical arrangement blossom over the holidays...and become a love for all seasons?
