Behind the Wall Part 1 (Volume 1) Dame DJ

Part 1 takes us Behind the Wall Florida with golf, the sunshine, orange juice, swimming pools and tennis available all day as you fall out of bed living in a gated golf community. It was a dream lifestyle which people saved a lifetime for while most Europeans who might only see the brochures found it unaffordable. Dame DJ describes the voyage of an English woman and her American partner Tim moving into a Golf & Country Club in Florida, making friends, learning the rules and seeing the harsh realities of life 'Behind the Wall' from an English perspective. They join the Country Club, play on teams, buy a house, shop, socialise and learn the rules are different inside the wall. A fresh, unbiased, innocent and funny view on everything she experienced with her partner when they bought a home, moved in and became part of 'the crowd'. We have the unique pleasure of experiencing it, hearing the truth, seeing and feeling through her eyes but are free to make our own judgments. Based on fact, names have been changed to protect identities as we trace the events that changed lives and shaped the futures of those that lived there.
