Many recognize that God is restoring His Church to her true and glorious place in the earth. But how much of these changes do we really understand? This book presents God's plan for leadership and government within the Body of Christ. The Church needs every gift of the five-fold ministry to complete her commission. It is the synergistic work of all five gifts—apostle, prophet, evangelist, pastor, and teacher—that will bring the light and power of Jesus Christ to a world that is desperately dark and needy.
