*Rescue from Innocence* is a historical fiction adventure novel inspired by true events. Walter Judge thought he had put the dark days of Southeast Asia behind him. He tries a comfortable life testing aircraft for a small Texas firm when a mysterious call from an old friend hints at trouble. He arranges to meet after her return from an overseas assignment, but she never arrives. His attempt to solve the riddle nearly costs him his life and thrusts him into being the key player in a clandestine project to supply Saddam Hussein with American gunship helicopters. A chance to sidestep disaster in favor of a life-altering love affair is ruined when kidnapping and murder force his continued involvement until he formulates a plan to foil the conspiracy and find the men behind it.
