McClellan Street

McClellan Street

More than 100 black-and-white images of a working-class neighborhood in Fort Wayne, Indiana, in the 1970s grace the pages of this photo-essay produced by acclaimed photographers David and Peter Turnley. These hauntingly beautiful, raw and real photographs documenting life on McClellan Street were taken by the Turnley twins with a single camera as a high-school project. Although the brothers did not grow up on McClellan Street, their photographs represent a very personal, sincere, direct, and loving interaction with life on a street in the heartland of America. Many of the McClellan Street residents had migrated from Appalachia and some were of Hispanic origin. In a neighborhood that many might have ignored, the young Turnleys saw beauty, diversity, and wonderment. With a maturity beyond their years, they captured the life of this community for future generations.

Published with the generous support of the Fort Wayne Museum of Art and the Institute for Advanced Study at Indiana University.

From reader reviews:

Charles Carter:

Have you spare time to get a day? What do you do when you have much more or little spare time? Sure, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a stroll, shopping, or went to the particular Mall. How about open or read a book entitled McClellan Street? Maybe it is for being best activity for you. You realize beside you can spend your time with the favorite's book, you can smarter than before. Do you agree with it is opinion or you have different opinion?

Anne Hahn:

People live in this new day time of lifestyle always try to and must have the spare time or they will get great deal of stress from both daily life and work. So , if we ask do people have spare time, we will say absolutely sure. People is human not just a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to an individual of course your answer will probably unlimited right. Then do you try this one, reading ebooks. It can be your alternative inside spending your spare time, the actual book you have read is definitely McClellan Street.

James Wendler:

As we know that book is vital thing to add our know-how for everything. By a guide we can know everything you want. A book is a pair of written, printed, illustrated or maybe blank sheet. Every year has been exactly added. This reserve McClellan Street was filled about science. Spend your time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading the book. If you know how big advantage of a book, you can really feel enjoy to read a reserve. In the modern era like now, many ways to get book that you simply wanted.

Eileen Vaughan:

What is your hobby? Have you heard that question when you got pupils? We believe that that question was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And also you know that little person including reading or as examining become their hobby. You need to know that reading is very important along with book as to be the thing. Book is important thing to include you knowledge, except your personal teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you choose to use be your object. One of them is this McClellan Street.
