Churches and Cathedrals of London

Stephen C. Humphrey, James Morris

Churches and Cathedrals of London Stephen C. Humphrey, James Morris
A visually stunning celebration of London's religious architecture

Each era in London's long and complex history left its mark on that city's religious architecture. As a result, modern London is home to some of the most celebrated examples of an array of sacred architectural styles, ranging from the Romanesque and Gothic to the baroque and neoclassical. This visually stunning book explores the art, architecture, history, and legend associated with nearly 50 of London's best-known churches and cathedrals.

*Churches and Cathedrals of London*brings together historian Stephen Humphrey's vivid technical and historical descriptions with professional photographer James Morris's exquisite full-color photographs in an exuberant evocation of one of the most powerful and enduring aspects of London's glorious cultural heritage. All ages and styles are represented, from Christopher Wren's extensive church building of the 17th century to the prodigious energy of the late Georgians and the Victorians and their classical and Gothic revivals.
