How To Feel Human - Punk Rock Tour Diaries: Volume Two T V Smith

Armed only with guitar, suitcase and an emergency sandwich, TV Smith continues his journey around the world as a solo troubadour for the punk generation. Travel with him as he discovers America, reveals the mystery of the Frankfurt green sauce, and finds out what happens when squirrels take crack and a duck flies in. Be by his side as he witnesses the construction of the 'Totem To Those Who See Beyond' and the epic battle of B Bang Cider versus the flying ants. Without leaving the comfort of your own home you too can be stranded in a forest in Finland, lose all your belongings in the Czech Republic, learn how to play swamp football, how to survive a fall from a three-storey building, and - most importantly - how to feel human.
