Jamieson's Shetland Knitting Book 3 (v. 3)

Jamieson's Shetland Knitting Book 3 (v. 3)

This new collection from Jamieson's begs a question that has become apparent in our recent knitting resources history. Which is more important, the beauty of the book and its look or the success of the patterns and their knitter appeal? Quality material, a variety of challenging designs, and the pleasure of knitting show through on every page. A section of traditional lace shawls, many cozy jackets and pullovers, some fanciful felt bags, and innovative patchwork, constructed garments are all heightened by the vast palette of yarns. Yet again for Jamieson's, both sides of the question are accomplished here.
