Master Mariner: A Life Under Way

Capt. Philip Rentell

Master Mariner: A Life Under Way Capt. Philip Rentell

From his days as a cadet on the aging training ship *Worcester*, Captain Philip Rentell's forty-year career has spanned the world's oceans and a huge variety of seagoing experience. He served as a junior officer on numerous freighters and liners, as the navigator of cross-Channel hovercraft, and then as first officer of the Cunard flagship *QE2*, on which he went to the South Atlantic with over 3,500 British troops and a volunteer crew of 650 during the Falklands War of 1982. Since leaving Cunard in 1990, he has been an English Channel and North Sea pilot, and has commanded a succession of cruise ships.
