Plunkett's Consulting Industry Almanac 2017: The only comprehensive guide to the consulting industry Jack W. Plunkett

This carefully-researched book covers exciting trends in consulting, in such fields as marketing consulting, information technology, management consulting, logistics, supply chain, change management, health care and employee benefits consulting, human resources consulting and more. The book includes complete details on the prestigious management consulting sector, plus our analysis of the information technology consulting business, the needs of IT managers and the fact that manufacturing firms are moving into consulting in a big way. This reference tool includes statistical tables and thorough market discussions, as well as our highly respected trends analysis. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. The corporate section includes our proprietary, in-depth profiles of over 250 leading companies in all facets of consulting, both public and private, U.S. and international. Here you'll find complete profiles of companies that are making news today-the largest, most successful corporations in the consulting business. Purchasers will find a form in the book enabling them to register for 1-year, 1-seat online access to tools at Plunkett Research Online, including the ability to view the market research/industry trends section and industry statistics. You have access, at no additional charge, to the very latest data posted to Plunkett Research Online. Online tools enable you to search and view selected companies, and then export selected company contact data, including executive names. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package.
