Excerpt from The Partnership of Paint

Paint Our Partner Paint as our partner in all the affairs of life may be a new thought, but it is an old established fact nevertheless. In reality paint is so interwoven with every turn of the wheel, that it is forever at our side, like our Siamese Twin.

Suppose we were to wake up some morning to find that paint in every form had been eliminated from the world, from our lives! What consternation, surprise, indignation, and havoc would reign everywhere! Whether for better or worse, for good or evil, it is part of the very warp and woof of our everyday existence, and what a pal and benefactor it really is. Think of our morning train, our motors, our boats, our houses, as paintless! What a queer jumble life would be.
