Blue Collar Resistance and the Politics of Jesus: Doing Ministry with Working Class Whites Tex Sample

To be faithful to the gospel, all ministry must be *indigenous*; it must participate in the distinctive practices and perspectives of the people among whom ministry is taking place. Because our society tends to ignore or deny the reality of class divisions and prejudice, too many congregational leaders know too little about the world of working class whites. Continuing his groundbreaking work on class and American religion, Sample opens up the lives and lifestyles of working class whites in order to engage with them in authentic and transformational ministry.

From the *Circuit Rider* review: "Tex Sample has written one of the most fun books to read on ministry that you will ever come across. Weaving philosophy, theology, country western lyrics, and stories throughout the book Sample at once delights and provokes us to think about the way in which we live out church in this day and age."
